

The Loving Spay+Neuter Clinic's Financial Assistance Program

Overview

Due to the generosity of our many financial donors, Richmond Animal League is able to offer funding support to cover the cost of the spay or neuter procedure and rabies vaccine (we require this for pets over 16 weeks old if they are not up to date) for persons that meet the qualifications listed below. There is a limit of three pets per household per fiscal year (July 1 - June 30). You may qualify for assistance if you meet any of the following criteria:

- Have a household annual income no greater than \$35,000 annually, or
- Receive government assistance (e.g., food stamps/SNAP, Medicaid, unemployment, social security) or
- Are an adult full-time, post-secondary school, degree-seeking student, or
- Are aged 65 or older, or
- Are a military veteran or current active duty military
